

SNOWDEN, CORA.—A graduate of the Los Angeles College of Osteopathy, January, 1910. Licensed in California 1910. Died in San Francisco January 24, 1919.

STEVENS, R. A.—A graduate of the Physicians & Surgeons, Keokuk, 1879. Licensed in California 1889. Died in Long Beach, Calif., October 15, 1920.

WEYER, G. A.—A graduate from the University of California 1899. Licensed to practice medicine in California 1900. Died in San Francisco, November 19, 1920. Was a member of the Medical Society, State of California.

WOODS, W. E. JOSEPHINE.—A graduate of University of California 1885. Licensed in California 1886. Died in Los Angeles October 15, 1920.

INDEX AND CONTENTS OF THE CALIFORNIA STATE JOURNAL OF MEDICINE FOR 1920

A

Achylla Gastrica—A Note Regarding Treatment—E. J. Best, M. D.	182
Address of President—Neglected Opportunities—H. A. L. Rykogel, M. D.	242
Alderson, H. E., M. D.—Notes on Skin Diseases Observed at the Letterman General Hospital	353
Alvarez, W. C., M. D.—The Radiographic Study of the Abdominal Organs After Inflation of the Peritoneal Cavity	42
Alvarez, Walter C., M. D.—What are you Doing to Defeat Anti-Health and Anti-Medical Legislation?	290
Ameble Dysentery, The Treatment of Chronic Cyst Carriers, Chas L. McVey, M. D.	305
American Dietetic Association	109
American Laryngological, Rhinological and Otological Society—Feb. 1920	59
American Medical Ass'n Delegate, From—E. C. Fleischner, M. D.	308
American Medical Association, Report of Dr. Van Zwalenburg, M. D., California Delegate	279
Anaesthetist, The Lay—Walter R. Crane, M. D.	160
Anesthetist, The Present Status of Anesthesiology. Eleanor Seymour, M. D.	355
Anesthetists' Meeting	392
Announcement—Santa Barbara	35
Anonymous Pediatry	33
Another Fraud	201
Another Gem of Purest Ray	273
Anti-Health and Anti-Medical Legislation, What are you Doing to Defeat?—Walter C. Alvarez, M. D.	290
Appendicitis, Present Problems in—By W. L. Huggins, M. D.	17
Aviation's Debt to Medicine—Chas. G. Stivers, M. D.	87
Aviators, The Examination and Classification of with Special Reference to the Effects of High Altitudes—J. F. Grant, M. D.	96

B

Bacher, J. A., M. D.—The Surgical Treatment of Acute Otitis Media in Children, With Report of Fifty Consecutive Cases	327
Ball in Orange and Kern Counties	374
Bar Association Says Vote Yes on No. 3	368
Barkan, Hans, M. D.—Magnet Extraction of Foreign Bodies—Importance of Accurate Localization	408
Basal Metabolism in Thyroid Disease, as an aid to Diagnosis and Treatment, With Notes on the Utility of the Modified Tissot Apparatus—Albert H. Rowe, M. D.	332
Benzyl-Benzzoate in Seasickness, The use of—T. H. Glenn, M. D.	394
Bladder-Neck and Other Obstructions, Exclusive of Prostatic Hypertrophy and Cancer, and their Treatment—Robt. V. Day, M. D.	158
Blair, J. C., M. D.—Multiple Primary Tumors	167
Bone Formation and Bone Pathology—L. W. Ely, M. D.	40
Botulism—E. C. Dickson, M. D.	21
Bryan, Lloyd, M. D.—The X-Ray as an Aid in Diagnosis of Non-Tubercular Pulmonary Conditions	219
Brown, Adelaide, M. D., and Miss Hattie Lezynsky—Infant Mortality in San Francisco in 1919	296
Burton, F. A., M. D.—Prehistoric Trephining of the Frontal Sinus	321
